Access to the event

You will receive a link similar to this:

<https://us06web.zoom.us/j/86551765723>

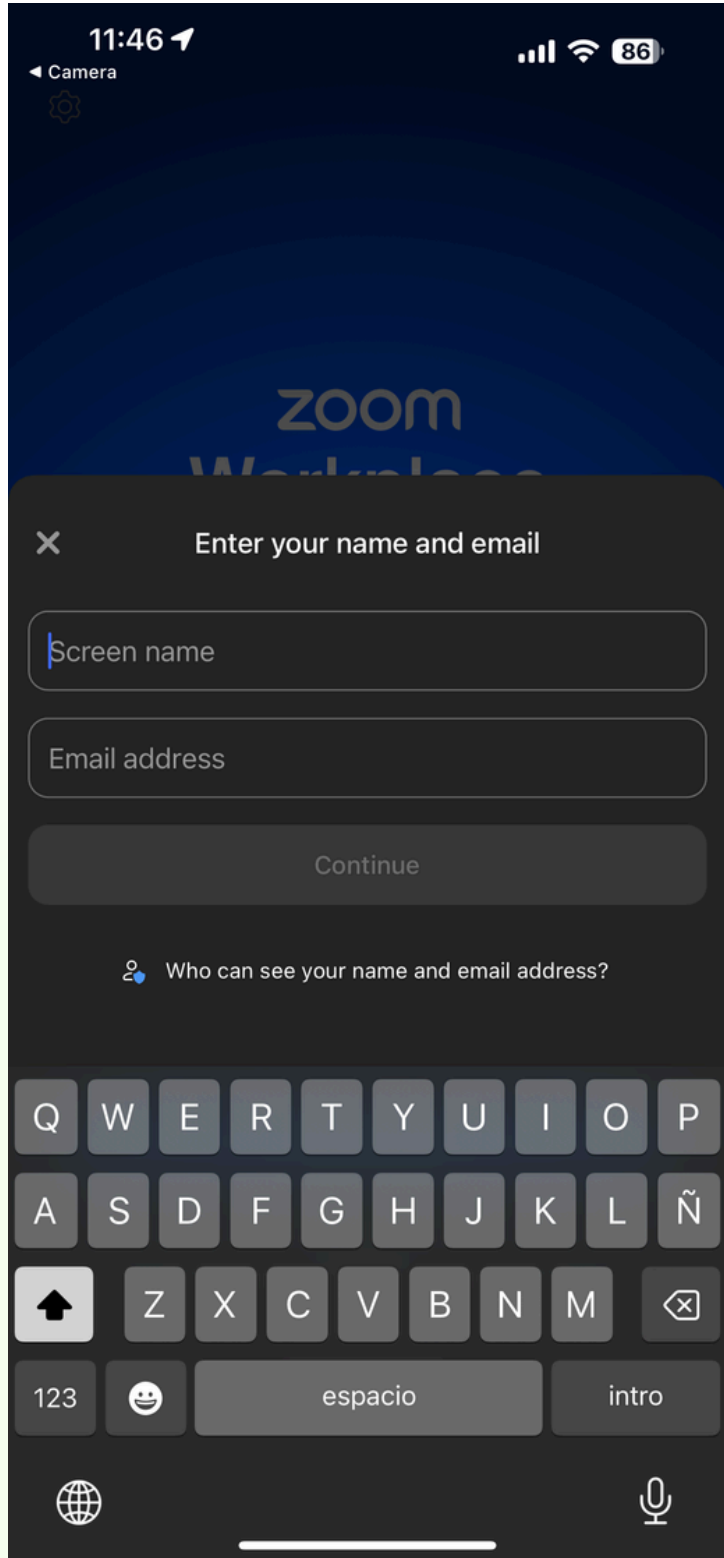

When the event starts, you can connect directly.

You will also have access to the link via QR codes in the meeting room and will receive it in your email.

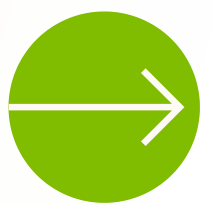

First step

Introduce your details to access the meeting and click continue.

The screenshot shows the Zoom mobile app interface. At the top, the status bar displays the time 11:46, signal strength, Wi-Fi, and battery level at 86%. Below the status bar, there is a 'Camera' toggle and a settings gear icon. The Zoom logo is prominently displayed in the background. A dark overlay contains the text 'Enter your name and email'. Below this text are two input fields: 'Screen name' and 'Email address'. A 'Continue' button is positioned below the input fields. A cursor icon points to the 'Continue' button. Below the button, there is a privacy notice: 'Who can see your name and email address?'. At the bottom of the screen, a QWERTY keyboard is visible, along with a globe icon and a microphone icon.

Cuarto paso: Selecciona el idioma

Select your language, mute the original audio and press "Done".

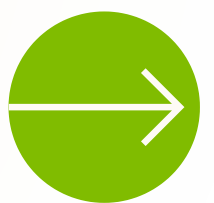

You are already connected!

You have completed the simultaneous interpretation process!

Remember:

You can lock your phone or navigate other apps without losing the interpretation, but you need to connect after each session to the channel designated to your room at the beginning.

If you need help at any time, our team will be at the back of the room to assist you.
